Help Build the Library *of the* Future

A library means different things to different people.

What do you think your library should provide for the community? What services, collections, and spaces would you like to see in your library? You are invited to share your thoughts and ideas at this special meeting. The only way to ensure the Library of the Future is relevant to you is to let us know what you want. This is a time to stretch the imagination and dream for the future. If you cannot attend, we invite your comments by email to futurelib@ci.sunnyvale.ca.us.
